

# ARUN KANAKKASSERY VIJAY

Civil Engineering | OpenBIM | Technology

#### **PORTFOLIO**

🔾: www.arunkvijay.com

# **SKILLS**

Python	5 yrs
Ifc, Ifcopenshell, BlenderBIM	3 yrs
Javascript, HTML, CSS	2 yrs
Threejs, IfcJs, Xeokit, pyocc	1 yr
VueJs, NuxtJs	<1 yr
C, Java, Neo4j, FastAPI	<1 yr
Blender, FreeCAD, QCAD	5 yrs
Linux, Bash	5 yrs
Vim, Git, LaTex, Awk	2 yrs

**PERSONAL DETAILS** 

Nationality: Indian
Marital Status: Married
Date of Birth: 19/05/1979
Language: English

Hindi, Malayalam, Kannada & Tamil

## **PROFILE**

- Possesses a strong combination of programming expertise, & AEC domain knowledge & experience applying computational thinking to optimize workflows
- Demonstrated ability to work independently with minimal supervision, taking ownership of projects & making decisions that drove results
- Led International customer relationships for MNCs & Global Project Teams, delivering increase in customer satisfaction through strategic partnerships & effective communication
- Curious person with a passion for lifelong learning, with a keen excitement in the convergence of BIM & Technology

#### PROFESSIONAL EXPERIENCE

## • Ai.K Data Labs Pvt Ltd

Self Employed

July 2023 - Present

- Developed custom technology solutions to streamline workflows & enhance productivity
  - \* Automated authoring of IFC models directly from 2D CAD using custom innovative solutions thereby reducing error & improving authoring speed by 25% to 50%
  - \* Implemented innovative solutions that exceeded client expectations
- Developed custom solutions using OpenBIM expertise for PreFab & DFMA. Integrated diverse technologies, to bring more than 25% reduction in time including:
  - \* Open-source Python & Javascript libraries
  - Incorporated various workflow automations to capture geometry, property & relationships, & time from various formats
  - Development in progress towards to incorporating OpenBIM & Web Technologies for all phases of DFMA workflow

## PROFESSIONAL EXPERIENCE

#### Preset Building Systems Pvt Ltd

**Technical Consultant** 

January 2023 - June 2023

- Developed custom technology solution for internal workflow automation to develop LOD 400 from design docket reducing the time taken from 1 week to under 1 day using IFC
- Developed custom solution for production file from BIM to factory using python and FreeCAD reducing the time taken from 2 hours to under 5 minutes
- Developed algorithms to have rule-based elements in the IFC model without explicit manual modeling enabling delivery faster by at least 25%

## Ideation Concepts & Design House Pvt Ltd

Founder & Director

April 2017 - December 2021

- Designed and managed various portfolio of work in commercial & residential development, including: Hotel, institutional, retail store and residences
- Clients include MNCs, Corporates, Government Institutions & Individuals with multiple repeat customers and references

## Arvind Lifestyle Brands Ltd

**Head Projects** 

October 2010 - April 2017

- Responsible for PAN India retail store design and expansion for various international fashion brands
- Responsible for developing design, project management, managing store layouts, & ensuring brand consistency across 500+ retail stores in India
- Collaborated with the global business team to develop and implement various store design concepts and processes

#### • Levi Strauss India Pvt Ltd

Assistant Manager

July 2007 - October 2010

- Responsible for store design and expansion for South India region
- Adherence to Global Levi's \* store design standard

#### • Indus League Clothing Ltd

Senior Executive

September 2006 - July 2007

- Project coordination for new store opening

#### Ideation

Proprietor

January 2005 - August 2006

- Design & Construction firm for Residential & Commercial Interior projects in Bangalore

#### Archaid Architects

Structural Engineer

June 2002 - December 2004

- Responsible for Structural engineering for all the projects
- Onsite construction coordination & working out Bill of Materials

# **EDUCATION & CERTIFICATION**

# • Advanced Certification in Computational Data Science

May 2021 - May 2022

Indian Institute of Science, Bangalore

Course comprising: Computational data science, Machine learning, Neural networks

## • Graph Machine Learning

February 2022 - April 2022

Stanford Online

Course comprising: Graph neural networks, Representation learning, Knowledge graphs

• B.Tech - Habitat Engineering & Construction Management (Civil Engineering)

September 1997 - November 2001

Cochin University of Science & Technlogy
